The Oil Factor	O&3 presents Fennel Sweet, Essential Oil. Also known as Roman Garden or French Fennel, this essential oil is said to have been founded by monks and used for centuries as anointment to ward off evil spirits & even improve one's eyesight! There are no evil spirits kicking around here so we use it in alternative formulations, such as moisturiser & skin healing lotions. It is a common ingredient in anti-wrinkle formulations and fantastic when applied to creams that target eye-bags. There are 2 kinds of Fennel Oil, both Bitter & Sweet. We only offer the most popular variety, Sweet, which we predominantly supply to manufacturers for air-purifiers & room sprays for its sweet nised like aroma profile.
